12/01/2021

Allow me a moment of your time to introduce you to Valley Foods, Inc. We are a family owned business out of Youngstown, Ohio. We have been an Ohio Corporation for over 50 years. In that time our business focus has been geared toward the manufacturing and delivery of foods to institutions such as schools and Senior meal services.

In 1995, we began a pilot program with 13 or so units of the Ohio National Guard. That program was so successful that it was expanded to the entire State in 1996. In August of 1998, we began serving the units that train at Fort Indiantown Gap for the Pennsylvania Army National Guard and some Army Reserve units that are located close to Fort Indiantown Gap. In January of 1999, we began delivery of rations to all the units at home station throughout Pennsylvania for the Army National Guard. Later that year we were fortunate to obtain the contract to serve the units of the Virginia Army National Guard and others at Fort Pickett and throughout the State. In 2008 we have began serving the Kansas Army National Guard out of our new facility in Topeka. And in 2015 we started serving the Maryland Army National Guard out of Fort Indiantown Gap and the Indiana National Guard from our facility in Indianapolis.

We look forward to serving you. You will find out that we pride ourselves on customer service. Our people are trained to serve you and hence the soldiers with the finest foods, delivered with speed and accuracy. Our objective is to exceed your expectations. . If we can assist you in anyway, please feel free to call Jim Stizza, Donny Ortiz, or Sharon Batdorf.

The following is a booklet of the menu with issue factors specifically designed for the OHARNG. This booklet is a guideline as to what will be issued with each meal ordered. The quantities listed are the quantities per 100 Soldiers.

MENU

The items that are in these meals have been chosen because they require very little preparation time. Items like boil in the bag eggs, pre-cooked bacon, heat and serve entrees are used. Menus have been reviewed and approved by OHARNG. There are 7 breakfasts (B01-B07) are being repeated as Breakfast Day 07-14 giving a total of 14 breakfasts. Lunches are expected to be a MRE, Fresh Sandwich Meal Kit, or Shelf Stable Meal Kit. Dinner consists of Dinner Day 01-14.

SPECIAL MEALS

We are also offering three stand alone menus. Those are a continental breakfast, a “cook out” hamburger/ hot dog menu, and a steak menu. These menus may be substituted anywhere in the menu rotation with prior notice and approval.

ISSUE CYCLE

Rations will be delivered to Camp Ravenna Joint Military Training Center (CRJMTC). We use the standard 2-2-3 draw for rations as follows below.

Deliver Monday	Serving Tuesday and Wednesday
Deliver Wednesday	Serving Thursday and Friday
Deliver Friday	Serving Saturday, Sunday and Monday

So for example if your first day of serving is a Saturday dinner, you would be expected to be delivered on Friday. In this example you would be getting Saturday's dinner, Sunday's breakfast and dinner and Monday's breakfast and dinner.

It would be very useful to plan on having someone on site all day on the expected delivery date.

ADDITIONS AND DELETIONS

It is our intent to issue creamer, sugar, sugar substitute and seasoning at the initial draw of rations. Additional amounts may be requested as needed. Food items will be specifically packaged and issued to greatly reduce waste. Should you incur excess products, you are strongly encouraged to cut back on quantities being issued. This will result in automatic credits being issued for products not being ordered and save OHARNG money.

We are committed to serve you. However, we are not authorized to provide services beyond the scope of our commitment to the OHARNG. Your approving authority must process all ration and/or special requests.

We look forward to the challenge and we thank you for giving us the opportunity to *serve those who serve for us*.

Sincerely,

Jim Stizza
Donny Ortz
