Page 1 of 22

Allow me a moment of your time to introduce you to Valley Foods, Inc. We are a family owned business out of Youngstown, Ohio. We have been an Ohio Corporation for over 30 years. In that time our business focus has been geared toward the manufacturing and delivery of foods to institutions such as schools and Senior meal services.

In 1995, we began a pilot program with 13 or so units of the Ohio National Guard. That program was so successful that it was expanded to the entire State in 1996. In August of 1998, we began serving the units that train at Fort Indiantown Gap for the Pennsylvania Army National Guard and some Army Reserve units that are located close to Fort Indiantown Gap. In January of 1999, we began delivery of rations to all the units at home station throughout Pennsylvania for the Army National Guard. More recently, we have been fortunate to obtain the contract to serve the units of the Virginia Army National Guard and others at Fort Pickett and throughout the State.

We look forward to serving you. You will find out that we pride ourselves on customer service. Our people are trained to serve you and hence the soldiers with the finest foods, delivered with speed and accuracy. Our objective is to exceed your expectations. If we can assist you in anyway, please feel free to call our General Managers, Jim Stizza or Steve Olesky. Or you may call and ask for Peggy.

The following is a booklet of the menu with issue factors, along with a condiment list specifically designed for the OhARNG. This booklet is a guideline as to what will be issued with each meal ordered.

MENU CHANGES

The changes reflected in this book are a result of the food service management board meeting held on 30 April 2011. In addition, the book has been updated to reflect current pack sizes and corresponding issue factors.

BREAKFAST

The existing 7 breakfasts (B01-B07) are being repeated as Breakfast Day 07-14 giving a total of 14 breakfasts.

LUNCHES/DINNERS

At the request of the food service management board, we have increased the quantities to make 2 sandwiches per person on M10-grilled ham and cheese. We have also omitted the vanilla icing on M11 as it comes with the cake mix.

MEAL KITS FRESH AND SHELF STABLE

We had introduced fresh meal kits and they have been received favorably by most soldiers. We have added an additional breakfast selection. We now have 3 breakfasts and 7 lunch/dinner choices. In addition we offer shelf stable meals that require no refrigeration. We have redesigned the menus to offer higher quality products that are more nutritionally sound. These new meals should be available sometime by the end 2011. The shelf stable meals are an alternative to fresh meals kits when little or no refrigeration is available. We currently offer both a breakfast and a lunch/dinner in variety packs.

We are committed to serve you. However, we are not authorized to provide services beyond the scope of our commitment to the OhARNG. Your approving authority must process all ration and/or special requests. As we have in the past, we will continue to work with the Food Service Management Board and others, to further enhance our services. Any input from you will be appreciated.

We look forward to the challenge and we thank you for giving us the opportunity to *serve those who serve for us*.

Sincerely,

Jim Stizza
Steve Olesky
